

# MAKE CHRISTMAS SPECIAL FOR A CHILD

## RESIDENTIAL

Spofford needs your help to provide Christmas toys and clothes for our 49 residential children. Receive a wish list of items they want from Santa! Every child has a personal interview with one of Santa's helpers to review their Christmas wishes. Each child receives 3-5 toys, stocking, a new outfit, socks, pajamas, coat and shoes.

**Kiva Dorm:** Boys & Girls ages 4-7    **New Upper Dorm:** Boys ages 8-10

**Double Dorm:** Boys ages 10-12    **Single Dorm:** Boys ages 10-12

**Sandstone Dorm:** Girls ages 8-12

## COMMUNITY

Spofford provides assistance to families in our school based case management program. We are currently working with 15 schools and assist families who need help. Every child has a personal interview with one of Santa's helpers to review their Christmas wishes. Each child receives 1 Christmas toy, a new outfit, socks, underwear, and shoes.

Choose the size of family you want to adopt based on the number of children in the home. The cost to adopt a family with one child is approximately \$100. Join in with co-workers, friends or family to make a Christmas great for children in our community!
